

TECHNICAL SUBCOMMITTEE

Goal: On behalf of the Council, the SIEC Technical Subcommittee will develop a statewide vision for interoperable communications, ensuring adequate wireless spectrum to accommodate all users. This vision will be the basis for a statewide interoperable communications plan.

Chair: Bruce Allcott

Members:

Jerry Goetz	Lorin Nielsen
Mark Hilton	Stan Passey
Nicola Jansen	Lex Rutter

OUTREACH SUBCOMMITTEE

Goal: On Behalf of the Council, the SIEC Outreach Subcommittee will promote cooperation among state, federal, tribal, and local public safety agencies in addressing statewide radio interoperability needs in Idaho.

Chair: Greg Laragan

Members:

Dia Gainor	Lorin Nielsen
Michele Carreras	Stan Passey

FUNDING SUBCOMMITTEE

Goal: On behalf of the Council, the SIEC Funding Subcommittee will identify and secure resources for functions necessary to achieve the SIEC mission.

Chair: Shawn Larsen

Members:

Joe Young	Bill Bishop
Mary Halverson	

POLICY SUBCOMMITTEE

Goal: On behalf of the Council, the SIEC Policy Subcommittee will develop standards for public safety communications; in addition, the committee will review priorities for statewide radio interoperability needs and assist in the development of projects, plans, policies, standards, priorities and guidelines for radio interoperability.

Chair: Mark Lockwood

Members:

Bruce Allcott	Dia Gainor
Bill Bishop	Jerry Russell
